### **Candidate Information**

There are five council members elected at large. The elections are rotated so the members are not all elected or re-elected at once. Seats one and two share an election and the following year seats three, four and five are elected. Council members serve two- year terms with no term limits.

Qualification to become a Council member usually takes place in February of each year, followed by the election in April and the swearing and taken of office at the May meeting.

In order to qualify in serving the Town as a Council member you must meet <u>all</u> of the following:

Be at least 18 years old

- Be a resident of Sneads for at least six months immediately preceding qualification
- Be duly registered in the Registration Books as a voter in the Town of Sneads
- Complete and return a qualification packet, and pay the qualifying fees by the qualifying deadline

Candidates that are employed should check with their employer about running for office. It is the candidate's responsibility to make sure there are no rules or reasons that prohibit them from running or holding the office.

Council meetings are held each month on the second Tuesday with exceptions for holidays and emergencies when an alternate date is selected. Information on meeting times and dates can be obtained by contacting Sneads Town Hall. Each council member receives nominal compensation for serving. Currently the members get \$400 per month and the President gets \$450 per month.

Sneads operates under the Council-Manager form of Government. The Council's duties include hiring/appointing the Town Manager to oversee the town's day-to-day operations, as well as the Town Attorney, Town Clerk, Police Chief and Fire Chief. Council duties also include Legislating for the town by adopting ordinances and resolutions in the best interest of all citizens of the town, adopting an annual budget and all other appropriations necessary for efficient town government and devoting such time as necessary to the performance of the Town Council.

As a member of the Town Council, you will be asked to make decisions, enact laws, levy taxes, and act for the benefit and best interest of the Town of Sneads. You will be performing a valuable service by addressing community needs and issues, as you represent your constituents. It is a much needed service that carries with it great responsibilities.

We look forward to having you serve the Town of Sneads should you choose to do so!

### INSTRUCTIONS FOR COMPLETING FORM 1:

INTRODUCTORY INFORMATION (Top of Form): If your name, mailing address, public agency, and position are already printed on the form, you do not need to provide this information unless it should be changed. To change any of this information, write the correct information on the form, and contact your agency's financial disclosure coordinator. You can find your coordinator on the Commission on Ethics website: www.ethics.state.fl.us.

**NAME OF AGENCY:** The name of the governmental unit which you serve or served, by which you are or were employed, or for which you are a candidate.

**DISCLOSURE PERIOD:** The "disclosure period" for your report is the calendar year ending December 31, 2022.

**OFFICE OR POSITION HELD OR SOUGHT:** The title of the office or position you hold, are seeking, or held during the disclosure period <u>even if you have since left that position</u>. If you are a candidate for office or are a new employee or appointee, check the appropriate box.

**PUBLIC RECORD:** The disclosure form and everything attached to it is a public record. Your social security number, bank account, debit, charge, and credit card numbers are not required and you should redact them from any documents you file. If you are an active or former officer or employee listed in Section 119.071, F.S., whose home address is exempt from disclosure, the Commission will maintain that confidentiality if you submit a written and notarized request.

### MANNER OF CALCULATING REPORTABLE INTEREST

Filers have the option of reporting based on <u>either</u> thresholds that are comparative (usually, based on percentage values) <u>or</u> thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. <u>You must use the type of threshold you have chosen for each part of the form.</u> In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

# IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

### PART A - PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s). The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

### Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list <u>each individual company</u> from which you derived more than \$2,500. Do not aggregate all of your investment income.
- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

### PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable

- or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); *and*,
- (2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

#### Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).
- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

### PART C - REAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

### PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account. IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

### PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

### PART F -- INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure

period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

### PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

# IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

### PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s), but income from these public sources should be included when calculating your gross income for the disclosure period. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

#### Examples:

- If you were employed by a company that manufactures computers and received more than 5% of your gross income from the company, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and

bonds, list  $\underline{\text{each individual company}}$  from which you derived more than 5% of your gross income. Do not aggregate all of your investment income.

- If more than 5% of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address, and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than 5% of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

### PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A, "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

- (1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); *and*,
- (2) You received more than 10% of your gross income from that business entity; **and**,
- (3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

### Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, and the tenant's address and principal business activity.

### PART C — REAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes, if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

### PART D -- INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: To determine whether the intangible property exceeds 10% of your total assets, total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint ownership. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example: You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

### PART E - LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, it is not a contingent liability.

Calculations: To determine whether the debt exceeds your net worth, total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." List each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Example: You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

### PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with, the types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

### PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. ### <u>FILING INSTRUCTIONS:</u>

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location. To determine what category your position falls under, see page 3 of instructions.

Local officers/employees file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.) Form 1 filers who file with the Supervisor of Elections may file by mail or email. Contact your Supervisor of Elections for the mailing address or email address to use. Do not email your form to the Commission on Ethics, it will be returned.

State officers or specified state employees who file with the Commission on Ethics may file by mail or email. To file by mail, send the completed form to P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 325 John Knox Rd, Bldg E, Ste 200, Tallahassee, FL 32303. To file with the Commission by email, scan your completed form and any attachments as a pdf (do not use any other format), send it to CEForm1@leg.state.fl.us and retain a copy for your records. Do not file by both mail and email. Choose only one filling method. Form 6s will not be accepted via email.

Candidates file this form together with their filing papers.

**MULTIPLE FILING UNNECESSARY:** A candidate who files a Form 1 with a qualifying officer is not required to file with the Commission or Supervisor of Elections.

WHEN TO FILE: *Initially*, each local officer/employee, state officer, and specified state employee must file *within 30 days* of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates must file at the same time they file their qualifying papers.

Thereafter, file by July 1 following each calendar year in which they hold their positions.

**Finally**, file a final disclosure form (Form 1F) within 60 days of leaving office or employment. Filing a CE Form 1F (Final Statement of Financial Interests) does <u>not</u> relieve the filer of filing a CE Form 1 if the filer was in his or her position on December 31, 2022.

### INSTRUCTIONS FOR CAMPAIGN TREASURER'S REPORT - ITEMIZED CONTRIBUTIONS

- (1) Candidate's full name or name of the political committee (PC), electioneering communications organizations (ECO) or party executive committee (PTY).
- (2) The identification number assigned by the filing officer.
- (3) Cover period dates (e.g., <u>1/1/15</u> through <u>1/31/15</u>). (See filing officer's reporting dates calendar for appropriate year and cover periods.)
- (4) Page numbers (e.g., <u>1</u> of <u>3</u>)
- (5) Date contribution was RECEIVED (Month/Day/Year).
- (6) Sequence Number Each detail line shall have a sequence number assigned to it. Sequence numbers are to be assigned within each reporting period and for each type of detail line. Thus the report type, detail line type, and sequence number will combine to uniquely identify a specific contribution, expenditure, distribution or fund transfer. This method of unique identification is required for responding to requests from the filing officer and for reporting amendments.

  For example, a M1 report having 75 contributions would use sequence numbers 1 through 75. The next report (M2), comprised of 40 contributions would use sequence numbers 1 through 40. Contributions on amended M1 reports would begin with sequence number 76 and on amended M2 reports would begin with sequence number 41. See the *Amendment Type* instructions below.
- (7) Type full name and address of contributor (including city, state and zip code).
- (8) Enter the type of contributor using one of the following codes: Occupation of contributor for contributions over \$100 only. (If a business, please indicate nature of business.)

Ĵ	Individual	
В	Business	(also includes corporations, organizations, groups, etc.)
E	Electioneering Communications Organizations	
F	Political Committee	(federal or state)
Р	Political Parties	(includes federal, state and county executive committees)
0	Other	(e.g., candidate surplus funds to party, etc.)
S	Candidate to Self	

(9) Enter Contribution Type using one of the following codes:

NOTE: Cash includes cash and cashier's checks.

Code	Description				
CAS	Cash or Cashier's Check				
CHE	Check				
COF	Carryover Funds from Previous Campaign				
INK	In-Kind				
INT	Interest				
LOA	Loan				
MO	Money Order				
MUC	Multiple Uniform Contributions				
RCT	Other Receipts				
REF	Refund (Negative Amount Only)				

- (10) Type the description of any in-kind contribution received.
  Candidate's Only If in-kind contribution is from a party executive committee and is allocable toward the contribution limits, type an "A" in this box. If contribution is not allocable, type an "N".
- (11) Amendment Type (required on amended reports) To add a new (previously unreported) contribution for the reporting period being amended, enter "ADD" in amendment type on a line with ALL of the required data.

The sequence number for contributions with amendment type "ADD" will start at one plus the number of contributions in the original report. For example, amending an original M1 report that had 75 contributions means the sequence number of the first contribution having amendment type "ADD" will be 76; the second "ADD" contribution would be 77, etc. When amending an original M2 report that had 40 contributions, the sixth "ADD" contribution would have sequence number 46.

To correct a previously submitted contribution use the following drop/add procedure. Enter "DEL" in amendment type on a line with the sequence number of the contribution to be corrected. In combination with the report number being amended, this sequence number will identify the contribution to be dropped from your active records. On the next line enter "ADD" in amendment type and ALL of the required data with the necessary corrections thus replacing the dropped data. Assign the sequence number as described above.

(12) Type amount of contribution received. Political Committees ONLY: Multiple uniform contributions from the same person, aggregating NMT \$250 per calendar year, collected by an organization that is the affiliated sponsor of a PC, may be reported by the PC in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period. The identity of each person making such uniform contribution must be reported to the filing officer by July 1 of each calendar year, or, in a general election year, NLT the 60th day immediately preceding the primary election.

(10) Amendment Type (required on amended reports) - To add a new (previously unreported) expenditure for the reporting period being amended, enter "ADD" in amendment type on a line with ALL of the required data.

The sequence number for expenditures with amendment type "ADD" will start at one plus the number of expenditures in the original report. For example, amending an original M1 reports that had 75 expenditures, means the sequence number of the first expenditure having amendment type "ADD" will be 76; the second "ADD" expenditure would have sequence number 39.

To correct a previously submitted expenditure use the following drop/add procedure. Enter "DEL" in amendment type on a line with the sequence number of the expenditure to be corrected. In combination with the report number being amended, this sequence number will identify the expenditure to be dropped from your active records. On the next line enter "ADD" in amendment type and ALL of the required data with the necessary corrections thus replacing the dropped data. Assign the sequence number as described above.

(11) Amount of expenditure.
