

**TOWN OF SNEADS
FEDERAL PROGRAM AND GRANTS PURCHASING POLICY**

I. PURPOSE

This Policy is adopted to assure that commodities and services for Federal Grant Funding Programs are obtained efficiently and effectively in free and open competition and through the use of sound procurement practices in a manner that promotes full and open competition. All Town staff and other persons (subgrantees or contractors) with designated responsibility for the administration of Federal award contracts are responsible for ensuring compliance with all applicable federal and state laws and regulations. These include but are not limited to OMB Circular A-102; 2 CFR 200.317-.326; s.287.055 and 255.0525, Florida Statutes; and Rule 73C-23, Florida Administrative Code.

II. APPLICATION OF POLICY

This Policy shall apply to contracts or agreements for the procurement of all materials, supplies, services, construction, and equipment for any Federal Grant Funding Programs solicited or entered into after the effective date of this Policy.

III. PURCHASING DIRECTOR

The Town of Sneads will designate a PURCHASING OFFICER who shall serve as the central purchasing officer (the "Purchasing Officer") of the Town of Sneads for all contracts or agreements described in Section II and shall maintain oversight to ensure contractors perform according to the terms, conditions and specifications of their contracts or purchase orders.

IV. PURCHASING AND CONTRACT AWARD PROCEDURES

A. Purchasing Categories; Threshold Amounts

In order to conduct this policy effectively and efficiently, and promote competition, the following levels of authority will satisfy the requirement for prior approval, depending upon the nature of the purchase agreement. When seeking to use a specific purchasing category, the Town shall avoid splitting or disaggregating purchases or transactions in any way that would avoid the application of a dollar threshold limitation. All purchases and contract awards are to be made subject to the provisions of the appropriate Section(s) according to the following threshold amounts:

1. Micro Purchases (Section IV, B) \$1 to \$10,000
2. Small Purchases (Section IV, C) \$10,001 to \$20,000
3. Purchasing Quotes (Section IV, D) \$20,001 to \$65,000
4. Competitive Sealed Bids/Proposals (Section IV, D & IV, E) \$65,001 and above

B. Micro Purchases

This method is for purchases in which the aggregate dollar amount does not exceed the micro purchase threshold—currently \$10,000, adjusted periodically for inflation. Purchases may be made without cost or price analysis or soliciting any quotes or bids, but it is strongly encouraged that quotes be used to equitably distribute purchases among qualified suppliers. The purchase of commodities, equipment and services shall be authorized as follows:

1. Department heads are authorized to make purchases for their departments up to the amount budgeted for the year.

2. Department heads must obtain an approval for those items not budgeted from the Chief Finance Officer or the Town Manager.

3. All other personnel authorized to make purchases must obtain approval for every purchase of an item or service costing over \$100.00, except for repairs to vehicles and equipment, which has a \$500.00 limit.

C. Small Purchases

This method is for purchases above the micro purchase threshold but below the Simplified Acquisition Threshold (SAT) as defined by the Federal Acquisition Regulation—currently \$250,000, adjusted periodically for inflation. Price or rate quotations must be obtained from more than one qualified source. This does not mean formal bids and solicitations for quotes must be made—these procedures are meant to be simple and informal. Quotes may be obtained from a variety of simple sources, e.g., internet search, vendor price listing, verbal quotes, etc. Similar to the micro purchase method, no cost or price analysis is required but is strongly encouraged. The purchase of commodities, equipment and services shall follow the small purchase requirements as outlined in 2 CFR 200 and should promote spreading purchases among diverse eligible vendors.

D. Purchasing Quotes

The purchase of goods and services which cost within the range authorized for purchasing quotes in Section IV, A2 shall require competitive quotations from three or more vendors. The quotations shall be obtained by the Purchasing Division and shall be reviewed and awarded by the Purchasing Officer after considering the goals stated herein.

E. Competitive Sealed Bidding

1. Conditions for Use. All contracts for purchases of a single item, services individually or in the aggregate in excess of the established base amount for Competitive Sealed Bids/Proposals in Section IV.A. 4 where price, not qualifications, is the basis for contract award, shall be awarded by competitive sealed bidding.

2. Invitation to Bid. Under Section 255.0525(2), F.S. and Rule 73C-23.0051(2)(a), F.A.C., an invitation to bid for construction projects that are projected to cost more than \$200,000 shall be published in at least one daily newspaper of general circulation in Jackson County as well as a nearby federal Office of Management and Budget (OMB) designated metropolitan statistical area (MSA) at least 21 days prior to the established bid opening and at least 5 days prior to any scheduled pre-bid conference. "An invitation to bid for construction projects that are projected to cost more than \$200,000 shall be publicly advertised once in the Florida Administrative Register at least 21 days prior to the established bid opening."

3. The bids or proposals shall be received and opened publicly at the location, date, and time established in the bid or proposal advertisement. In cases of emergency, the Secretary of Management Services may alter the procedures required in this section in any manner that is reasonable under the bid documents. Additionally, notice shall be sent to those vendors and contractors on the Town's MBE/WBE solicitation list.

4. An Invitation to Bid shall be issued and shall include specifications, all contractual terms and conditions, and the place, date, and time for submittal and opening. No later than five working days prior to the date for receipts of bids, a vendor shall make a written request to the Town for interpretations or corrections of any ambiguity, inconsistency, or error which the vendor may discover. All interpretations or corrections will be issued as addenda in writing. The Town will not be responsible for oral clarifications. No negotiations, decisions, or actions shall be initiated or executed by the proposer as a result of any discussions with any Town employee prior to the opening of proposals. Only those communications which are in writing from the Town may be considered as a duly authorized expression on behalf of the Town Council. Also, only communications from firms or individuals which are in writing and signed will be recognized by the Town Council as duly authorized expressions on behalf of proposers.

5. Alternate(s). Alternate bids will not be considered unless authorized by and defined in the Special Conditions of the bid specifications.

6. Approved Equivalents: The Town reserves the right to determine acceptance of item(s) as an approved equivalent. Bids which do not comply with stated requirements for equivalents in the bid conditions are subject to rejection. The procedure for acceptance of equivalents shall be included in the general conditions of the bid.

7. Public Notice. Public Notice shall be by publication in a newspaper of general circulation at least twelve (12) working days prior to bid opening or in accordance with the requirements above in E.2., as appropriate. Notice of the Invitation to Bid shall give date, time, and place set forth for the submittal of proposals and opening bids.

8. Bid Opening. Bids shall be opened publicly on the date and at the time in the solicitation for bids as it may be amended. The Purchasing Officer or his/her designee shall open bids in the presence of one or more witnesses at the time and place designated in the Invitation to Bid and open to the public. The amount of each bid, and other such relevant information as may be deemed appropriate by the Purchasing Officer together with the name of each bidder, and all witnesses shall be recorded. The record (Bid Report) and each bid shall be open to public inspection.

9. Bid Acceptance and Evaluation. Bids shall be unconditionally accepted without alteration or correction, except as authorized in this Policy. Bids shall be evaluated based on the requirements set forth in the Invitation to Bid, which may include, but not be limited to criteria to determine acceptability such as inspection, testing quality, recycled or degradable material content, workmanship, delivery, and suitability for a particular purpose. Those criteria that will affect the bid price and be considered in evaluation for award shall be objectively measured, such as discounts, transportation costs, and total or life cycle costs. No criteria may be used in bid evaluation that is not set forth in the Invitation to Bid, in regulations, or in this Policy.

10. Bid Agenda Item. After evaluation, the Purchasing Officer will prepare a recommendation and shall place the item on the agenda of the Town Council.

11. Correction or Withdrawal of Bids. Cancellation of Awards. Correction or withdrawal of inadvertently erroneous bids before or after award, or cancellation of awards or contracts based on mistakes in the bid, shall be permitted where appropriate. Mistakes discovered before bid opening may be modified or withdrawn by written notice, delivered physically or by electronic medium with

verified receipt in the office designated in the Invitation to Bid prior to the time set for bid opening. After bid opening, corrections in bids shall be permitted only to the extent that the bidder can show by clear and convincing evidence that a mistake, of non-judgmental character was made, the nature of the mistake, and the bid price actually intended. After bid opening, no changes in the bid price or other provisions of bids prejudicial to the interest of the Town or fair competition shall be permitted. In lieu of bid correction, a low bidder alleging a material mistake of fact may be permitted to withdraw his bid if the mistake is clearly evident on the face of the bid document, but the intended correct bid is not similarly evident; or the bidder submits evidence which clearly and convincingly demonstrates that a mistake was made. All decisions to permit the correction or withdrawal of bids or to cancel awards or contracts based on bid mistakes shall be supported by a written determination made by the Purchasing Officer.

12. Multi-Step Sealed Bidding. When it is considered impractical to initially prepare a purchase description to support an award based on price, an Invitation for bids may be issued requesting the submission of unpriced offers to be followed by an invitation for bids limited to those bidders whose offers have been determined to be technically acceptable under the criteria set forth in the first solicitation.

13. Award. The contract shall be awarded with reasonable promptness to the lowest responsible and responsive bidder whose bid meets the requirements and criteria set forth in the Invitation to Bid. The Town reserves the right to waive any informality in bids and to make an award in whole or in part when one or both conditions are in the best interest of the Town of Sneads. Any requirement which is waived must be documented and kept in the file.

14. Notice of Intended Award. The contract shall be awarded by written notice. Every procurement of contractual services shall be evidenced by a written agreement. Notice of intended award, including rejection of some or all of bids received, may be given by posting the bid tabulations where the bids were opened, by telephone, by first class mail, or by certified United States mail, return receipt requested, whichever is specified in bid solicitation. A vendor may request, in their bid submittal, a copy of the tabulation sheet to be mailed in a vendor provided, self-addressed envelope for their records or to their electronic mail address of record.

15. Notice of Right to Protest. All notices of decision or intended decisions shall contain the statement: "Failure to file a protest within the time prescribed in Section IV, of the Federal Grant Funding Purchasing Policy of the Town of Sneads shall constitute a waiver of proceedings under that section of this Policy".

16. Cancellation of Invitations for Bids. An Invitation for bids or other solicitation may be canceled, or any or all bids may be rejected in whole or in part when it is in the best interests of the Town, as determined by the Town Council. Notice of cancellation shall be sent to all businesses solicited. The notice shall identify the solicitation, explain the reason for cancellation and, where appropriate, explain that an opportunity will be given to compete on any re- solicitation or any future procurement of similar items.

17. Disqualification of Vendors. For any specific bid, vendors may be disqualified by the Purchasing Director, Purchasing Officer, for the following reasons:

- a. Failure to respond to bid invitation three consecutive times within the last eighteen (18) month period.

- b. Failure to update the information on file including address, project or service, or business description.
- c. Failure to perform according to contract provisions.
- d. Conviction in a court of law of any criminal offense in connection with the conduct of business.
- e. Clear and convincing evidence of a violation of any federal or state anti-trust law based on the submission of bids or proposals, or the awarding of contracts.
- f. Clear and convincing evidence that the vendor has attempted to give any Town employee (as defined in the Ethics in Contracting Section below) a gratuity of any kind for the purpose of influencing a recommendation or decision in connection with any part of the Town's purchasing activity.
- g. Failure to execute a Public Entity Crimes Statement as required by Florida Statutes Chapter 287.133 (3) (a).
- h. Any other reasons deemed appropriate by the Town and documented in writing.

F. Competitive Sealed Proposals

1. All contracts for purchases of a single item or services or aggregate in excess of the established base amount for Competitive Sealed Bids/Proposals in Section IV where qualifications, not price, is the basis for contract award shall be awarded by competitive sealed proposals. All contracts for the procurement of professional architectural, engineering, landscape architectural, and land surveying services will be awarded according to the provisions of Section IV-E-1. All other contracts required to be awarded by competitive sealed proposals will be awarded according to the provisions of Section IV. E. Professional Architectural, Engineering, Landscape Architectural, and Land Surveying Services.

2. Public Announcement. It is the policy of the Town to publicly announce all requirements for professional architectural, engineering, landscape architectural, and land surveying services and to negotiate such contracts on the basis of demonstrated competence and qualifications at fair and reasonable prices. In the procurement of such services, the Town may require firms to submit a statement of qualifications, performance data and other related information for the performance of professional services. Additionally, the Town will solicit proposals from an adequate number of known qualified suppliers and provide them with sufficient time to respond to the solicitation. The definitions of adequate number of "known qualified suppliers" and "sufficient time to respond" are dependent on the circumstances.

3. Scope of Project Requirements. Prior to submission of the request for proposals for professional services as an agenda item for approval by the Council, the Purchasing Officer shall submit to the Town written project requirements indicating the nature and scope of the professional services needed, including but not limited to the following; the general purpose of the services or study; the objectives of the study or services; estimated period of time needed for the services or the study; the estimated cost of the service or study; whether the proposed study or service would or

would not duplicate any prior or existing study or services; list of current contracts or prior services or studies which are related to the proposed study or service; and the desired qualifications, listed in order of importance; of the person or firm applicable to the scope and nature of the services requested.

4. **Distribution of Project Requirements.** The Purchasing Officer shall distribute the written project requirements as approved by the Town Council to all persons on the mailing list who have indicated an interest in being considered for the performance of such professional services and to any additional persons as the Purchasing Officer or Town deems desirable. The written project requirements shall include a statement of the relative importance of each of the requirements. The project requirements shall be accompanied by an invitation to such persons to submit an indication of interest in performing the required services, and by notification of the date and time when such indications of interest are due. This date shall not be less than twelve (12) calendar days from the date of public notice which the Purchasing Officer shall publish in at least one daily newspaper of general circulation where the project is located and in a nearby federal Office of Management and Budget (OMB) designated metropolitan statistical area (MSA). Alternatively, the Town may substitute the above notice with any solicitation procedure which generates at least three responsible and responsive bids or proposals which can be considered. However, if three responsible and responsive bids or proposals are not received, the procurement will be invalid.

5. **Modification Prohibition.** After the publicized submission time and date, indications of interest shall not be modified or allowed to be modified in any manner except for correction of clerical errors or other similar minor irregularities as may be allowed by the Selection Committee prior to making its selection of those best qualified to be formally interviewed.

6. **Reuse of Existing Plans.** There shall be no public notice requirements or utilization of the selection process as provided in this section for projects in which the Town is able to reuse existing plans from a prior project. However, public notice of any plans which are intended to be reused at some future time shall contain a statement which provides that the plans are subject to reuse.

7. **Selection Committee Membership and Evaluation.** Depending on the expected complexity and expense of the professional services to be contracted, the Town may determine whether a three-member or five-member selection committee will best serve the needs of the Town Council.

a. **Three Member Committee Composition.** Membership of a three-member selection committee shall be appointed by the Council President or its designee.

b. **Five Member Committee Composition.** Membership of a five-member selection committee shall be appointed by the Council President or its designee.

8. **Selection Committee Evaluation.** Only written responses of statements of qualifications, performance data, and other data received in the purchasing office by the publicized submission time and date shall be evaluated. Only those respondents who are determined to be best qualified based upon the evaluation of written responses and selected for formal interview may submit additional data. From among those persons evidencing, by timely submission of written responses, an interest in performing the services the Selection Committee shall: prepare an alphabetical list of those persons determined by the Selection Committee to be qualified, interested and available; and designate no less than three persons on the alphabetical list considered by the Selection Committee to be best qualified to perform the work required.

9. Shortlisting. If determined by the Selection Committee, the best qualified respondents shall be based upon the Selection Committee's ability to differentiate qualifications applicable to the scope and nature of the services to be performed. The Selection Committee shall determine qualifications, interest, and availability by reviewing the written responses that express an interest in performing the services, and by conducting formal interviews of no less than three selected respondents that are determined to be best qualified based upon the evaluation of written responses. The determination may be based upon, but not limited to, the following considerations:

- a. competence, including technical educational and training, experience in the kind of project to be undertaken,
- b. availability of adequate personnel, equipment and facilities, the extent of repeat business of the persons, and
- c. where applicable: (i) the relationship of construction costs estimates by the person to actual cost on previous projects; (ii) current workload and financial responsibilities; (iii) ability to observe and advise whether plans and specifications are complied with; (iv) record of professional accomplishments;(v) proximity to the project involved; and (vi) ability to design an approach and work plan to meet the project requirements.

10. Interview and Town Council Approval. After conducting the formal interviews, the Selection Committee shall list the respondents interviewed in order of preference based upon the considerations listed in subsection (3 and 9) above. The respondents so listed shall be considered to be the most qualified and shall be listed in order of preference starting at the top of the list. The list of best qualified persons shall be forwarded to the Town Council for approval prior to beginning contract negotiations. Negotiation sequence shall be based on the order of preference.

11. Shortlisting and interviews may be deferred if the selection committee deems that a respondent meets all criteria for negotiation and is in the best interest of the Town and its project due to time considerations.

12. Negotiation Staff. Contract negotiations shall be conducted by the Purchasing Officer unless the Council President directs that negotiations be conducted by a Negotiation Committee.

G. Negotiation.

1. The Purchasing Officer or the Negotiation Committee shall negotiate a contract with the firm considered to be the most qualified to provide the services at compensation and upon terms which the Purchasing Officer or the Negotiation Committee determines to be fair and reasonable to the Town. In making this decision, the Purchasing Officer or the Negotiation/ Committee shall take into account the estimated value, the scope, the complexity, and the professional nature of the services to be rendered.

2. As a part of the negotiation, the Purchasing Officer or the Negotiation Committee shall conduct a cost analysis, including evaluation of profit, based on a cost breakout by the firm of its proposed price. Should the Purchasing Officer or the Negotiations Committee be unable to negotiate a satisfactory contract with the firm considered to be the most qualified, negotiations with that firm will be formally terminated. The Purchasing Officer or the Negotiation Committee shall then undertake

negotiations with the second most qualified firm. Failing accord with the second most qualified firm, the Purchasing Officer or the Negotiation Committee shall formally terminate negotiations, and then shall undertake negotiations with the third most qualified firm. Should the Purchasing Officer or the Negotiation Committee be unable to negotiate a satisfactory contract with any of the selected firms, the Selection Committee shall select additional firms in order of their competence and qualifications, and the Purchasing Officer or Negotiation Committee shall continue negotiations in accordance with this section until an agreement is reached or until a determination has been made not to contract for services.

XIII. MINORITY BUSINESS ENTERPRISE PARTICIPATION PROGRAM

1. Purpose and Scope. The purpose of the Minority Business Enterprise Program is to enhance the participation of qualified minority and women-owned businesses in providing goods and services and construction contracts required by the Town Council. This program describes procedures to accomplish this purpose and to monitor and evaluate progress. All Department and Divisions under the jurisdiction of the Town Council are responsible for implementing this program.

2. Policy Statement. It is the policy goal of the Town that two percent (2%) of the Town Council approved procurement as contained with both operating and capital improvement budgets (exclusive of in-house services and construction) shall be identified and let through the competitive bid process to minority and women businesses and persons.

3. The program is based on an in-depth evaluation of all actual as well as projected procurement (CIPs, equipment, commodities, and services) and on the marketplace. Procurement identified to establish a base for this program is not limited to those items only. This evaluation is the main factor in building a realistic program with attainable targets.

4. All department and divisions under the jurisdiction of the Town Council are responsible for implementing this program and for making every reasonable effort to utilize MBE's and WBE's when opportunities are available. The Purchasing Officer will take the lead role in this process by taking active steps to encourage minority or women-owned businesses. Regarding the implementation of this Policy, it is the Town Council's intent to foster economic development in the Town's area by establishing its MBE goals based on availability of minority and women-owned businesses located within the Town. This is in no way intended to limit or restrict competition. Rather, availability of area companies will be used to guide MBE goals. Such geographical preferences may be adjusted, amended, or repealed by the Town Council, with or without a public hearing, as deemed necessary.

5. Definition. Minority Business Enterprise (MBE) as used herein, means a business that is owned and controlled at least 51% by one or more minority persons (MBE) or by one or more women (WBE) and whose management and daily operations are controlled by one or more such persons.

6. Administrative Responsibilities. The Purchasing Officer is responsible for the coordination of the Minority Business Enterprise Program and registration.

7. Capital Improvement Projects. The Purchasing Officer and an appropriate department representative shall review each proposed project or bid to determine potential for utilization of MBE/WBEs and report their finds to the Town Council. This review is based on known availability of

capable MBE/WBEs in the area in relation to the scope of the bid package and considers how a project might be broken down into sub-bids.

8. Pre-Bid Activity. Language regarding the Minority Business Enterprise Program will be inserted into bid specifications to assure that prospective bidders are aware of a requirement to make good faith efforts to utilize MBE/WBE's, specifically: (i) dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises; (ii) establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; (iii) using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (iv) requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs in this section.

9. Registered MBE/WBEs, the Minority Contractors Association and other organizations for minority and women owned businesses will be notified in writing regarding pre-bid conferences where information on project scope and specifications will be presented, along with other types of technical assistance.

10. Upon request available plans and specification will be provided to MBE/WBE associations along with any special instructions on how to pursue bids.

11. Majority (prime) contractors on a bid list will be sent a letter outlining the Minority Business Enterprise Program procedures, the supportive documentation required for submittal with their bid, and a list of MBE/WBE contractors on the bid list.

12. Prior to award the Prime Contractor must provide documentation on attempts to solicit participation from MBE/WBE firms.

13. The Prime Contractor attempts to utilize MBE/WBE firms during the project must be documented as part of the Prime's contract award responsibilities under this program. Documentation to include but not limited to requests for bids, bids received and justification for not utilizing MBE/WBE firms when bid amounts received are comparable. Failure to keep these commitments will be deemed noncompliance with the contract and may result in a breach of contract.

14. Contractor Responsibilities.

a. Contractors must indicate all MBE/WBEs contacted for quotes regarding a particular scope of work and submit a completed "Intent to Perform" sheet containing information and documentation obtained from each MBE/WBEs.

b. A contractor who determines that an MBE/WBEs, named in the bid submittal is unavailable or cannot perform, will request approval from the Purchasing Officer to name an acceptable alternate. Such requests will be approved when adequate documentation of cause for the change is presented by the contractor.

c. A contractor's MBE/WBE plan will utilize MBE/WBEs to perform commercially useful functions in the work bid. A MBE/WBE is performing a commercially

useful function when it is responsible for the management and performance of a distinct element of the total work.

d. Contractors are required to make good faith efforts to obtain MBE/WBE participation when so stipulated by bid specifications and/or contracts. If these efforts are unsuccessful, the contractor will submit a non-availability or refusal to participate and will request waiver of MBE/WBE participation.

e. The contractor who is the successful bidder will attend pre-construction conferences with appropriate Town representatives to review the project scope and the MBE/WBE utilization plan.

f. The contractor who is the successful bidder must request a change order for any modification to the MBE/WBE plan. Change orders require Town Council approval and are contingent on contractor documentation of MBE/WBE involvement in the change requested and documentation of cause for these changes.

15. MBE/WBE Contractor Responsibilities.

a. MBE/WBEs must register with the Purchasing Officer in order to participate in the Minority Business Enterprise Program.

b. MBE/WBEs should attend pre-construction conferences to obtain information and technical assistance on project end bid procedures in which they (MBE/WBEs) have submitted bids.

16. Joint Venture Responsibilities.

a. All joint ventures between minority and non-minority contractors must meet the "joint venture" definition included in the policy.

b. The use by MBE/WBEs or prime contractors of "minority fronts" or other fraudulent practices which subvert the true meaning and spirit of the Minority Business Enterprise Program will not be tolerated and may result in termination of participation.

c. A joint venture consisting of minority and non-minority business enterprise will be credited with MBE/WBE participation on the basis of the percentage of the dollar amount of the work to be performed by the MBE/WBEs.

17. Contracts subject to this Policy shall contain provisions stating that liquidated damages may be assessed against the general contractor and/or the MBE/WBE firm for violations of this Policy on MBE/WBE specifications in the contract(s). Such liquidated damage provisions shall be in a form approved by the Town Council.

18. Fulfilling MBE/WBE Participation Requirements. For the purpose of this Policy, a general contractor may utilize the services of an MBE/WBE subcontractor, manufacturer, and/or supplier in estimating and satisfying the scope of work, provided that written contract/agreement is executed between the general contractor and the subcontractor, manufacturer, and/or the supplier.

XIV. PAYMENT

A. Payment will be expedited by the Town Council within thirty (30) days upon completion and acceptance of the project. Special consideration may be given to hardship cases upon notification by MBE/WBEs.

B. The Town will provide work progress payments to all businesses at the completion and subsequent acceptance by Town Council representative within various stages of a particular project.

XV. WAIVER OF BID BOND REQUIREMENTS

The Town Council may at its discretion waive any of the requirements of this Section when it is determined to be in the best interest of the Town.

XVI. BID LIST

1. A bid list for the purpose of bid solicitations shall be maintained by the Town. The list shall consist of firms that apply.

2. The Town staff may remove firms from the bid list for any of the following reasons: (i) consistent failure to respond to bid invitations (three (3) consecutive instances) within the last eighteen-month period; or (ii) failure to update the information on file including address product or service description or business description.

The Town Council may remove firms from the bid list for the following reasons: (i) failure to perform according to contract provisions; (ii) conviction in a court of law of any criminal offense in connection with the conduct of business; (iii) clear and convincing evidence of a violation of any federal or state anti-trust law based on the submission of bids or proposals or the awarding of contracts; (iv) clear and convincing evidence that a vendor has attempted to give a Town Council employee, officer, or agent a gratuity of any kind for the purpose of influencing a recommendation or decision in connection with any part of the Town Council's purchasing activity; (v) violation or circumvention of the Minority Business Enterprise Program; or (vi) other reasons deemed appropriate by the Town Council.

XVII. REPORTING

Records will be maintained reflecting participation of local minority and women owned businesses and the Purchasing Officer or appropriate person will report, at least annually, to the Town Council on the status of the Minority Business Enterprise Program.

XVIII. BONDING REQUIREMENTS

A. For construction or facility improvement contracts or subcontracts exceeding the Simplified Acquisition Threshold, the Federal awarding agency or pass-through entity may accept the bonding policy and requirements of the non-Federal entity provided that the Federal awarding agency or pass-through entity has determined that the Federal interest is adequately protected. If such a determination has not been made, the minimum requirements must be as follows:

1. A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified.

2. A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's requirements under such contract.
