Disclaimer

The following information is provided for general reference and does not constitute legal advice. Interested parties should refer to the Florida Statutes and applicable case law.

New Information from 2024

Legislation from the 2024 Florida legislative session has made several changes to statutes affecting candidates. The information in this packet has been updated to conform to the revisions.

- SB774/HB37 revised financial disclosure requirements by requiring that mayors and elected members of the governing body of a municipality, and candidates for those offices, must file a full and public disclosure of their finances. In addition, at the time of qualifying, certain candidates may provide a verification or receipt of electronic filing of their financial disclosure records with the Commission Ethics instead of the financial disclosure itself.
 - On 6/10/24 Judge Melissa Damian of the Southern District of Florida issued a preliminary injunction against enforcement of SB774's changes to financial disclosure requirements of municipal candidates. See page three for additional information.
- SB666/HB707 requires that candidates provide their residential address on the candidate oath.
- SB7050/HB7067 further revised the candidate oath by requiring that candidates affirm on their oath whether they owe any outstanding fines, fees, or penalties. In addition, the oath now solicits further details regarding the candidate's name and provides further procedures for the use of nicknames. Finally, the bill revised the timeline for campaign finance reports.

Financial Disclosure Requirements

FORM 1 / FORM 6 FULL AND PUBLIC DISCLOSURE OF FINANCIAL INTERESTS Form 1s must now be filed via the ethics website, printed, and filed with Sneads City Hall at qualifying. Beginning January 1, 2022, an incumbent in an elective office or a candidate holding another position subject to an annual filing requirement may submit a copy of the full and public disclosure of financial interest filed with the Florida Commission on Ethics with the officer before whom he or she qualifies. A candidate not subject to an annual filing requirement does not file with the commission but has to complete and print a full public disclosure of financial interests via the Florida Commission on Ethics website. **If you have questions about filling out these forms, please direct them to the Florida Commission on Ethics at (850)488-7864.**

As part of qualifying, you must satisfy financial disclosure requirements. The specific form depends on the office sought.

Mayor and City Commissioner:

- On 6/10/24 Judge Melissa Damian of the Southern District of Florida issued a preliminary injunction against enforcement of SB774's changes to financial disclosure requirements of municipal candidates.
- Any City Commission candidates who have not yet qualified may do so using either a Form 1 or a Form 6. We will accept either option this time.
- This is an area of active litigation; it is possible that additional litigation could stay the Judge's order and require municipal candidates to use Form 6 once again.

RON DESANTIS
GOVERNOR

605 Suwannee Street
Tallahassee, FL 32399-0450

JARED W. PERDUE, P.E.
SECRETARY

November 8, 2023

Notice to candidates for election to offices in the State of Florida

The Department of Transportation's Office of Right of Way would like to remind you of State Law regarding political campaign signs:

(1) Signs placed on the state rights of way — Political campaign signs may not be placed in the right of way of any state or national highway [Chapter 479.11(8), Florida Statutes]. A joint effort by the Florida Department of Transportation and the Florida Highway Patrol produced a brochure explaining that the unauthorized use of the public right of way is prohibited by Florida law. This brochure further outlines how the right of way is regulated and how to recognize the location of the right of way line. The brochure is available on our website, <http://www.fdot.gov/rightofway/>. Please feel free to print and copy the brochure for distribution. We recommend campaigns make this brochure required reading for volunteers who post candidate signage.

(2) Signs placed on private property — Temporary political campaign signs may be placed on private property with the permission of the owner. Such signs do not require a permit under state law.

Please advise your campaign workers to ensure that signs are placed on private property. Signs placed on the state rights of way must be picked up by Department staff and placed in one of the Department's maintenance yards. We will make every effort to place a courtesy call to your campaign office advising of sign removal and the location of the maintenance yard where the signs have been stored.

If you have any questions regarding this issue, please contact the Department's Outdoor Advertising Office in Tallahassee at (850) 414-4569.

Sincerely,

Scott Foltz, Director
Office of Right of Way

Candidate Information

There are five council members elected at large. The elections are rotated so the members are not all elected or re-elected at once. Groups one and two share an election and the following year Groups three, four and five are elected. Council members serve two- year terms with no term limits.

Qualification to become a Council member usually takes place in February of each year, followed by the election in April and the swearing and taken of office at the May meeting.

If you are interested in serving the Town as a Council member you may do so by doing all the following:

- Being at least 18 years old

- Being a resident of Sneads for at least six months immediately preceding qualification

- Being duly registered in the Registration Books as a voter in the Town of Sneads

- Completing, returning a qualification packet, and paying the qualifying fees by the qualifying deadline

Candidates that are employed should check with their employer about running for office. It is the candidate's responsibility to make sure there are no rules or reasons that prohibit them from running or holding the office.

Council meetings are held each month on the second Tuesday with exceptions for holidays and emergencies when an alternate date is selected. Information on meeting times and dates can be obtained by contacting Sneads Town Hall. Each council member receives nominal compensation for serving. Currently the members get \$400 per month and the President gets \$450 per month.

Sneads operates under the Council-Manager form of Government. The duties of the Council include hiring/ appointing the Town Manager to oversee the town's day-to-day operations, as well as the Town Attorney, Town Clerk, Police Chief and Fire Chief. Council duties also include Legislating for the town by adopting ordinances and resolutions in the best interest of all citizens of the town, adopting an annual budget and all other appropriations necessary for efficient town government and devoting such time as necessary to the performance of the Town Council.

As a member of the Town Council, you will be asked to make decisions, enact laws, levy taxes, and act for the benefit and best interest of the Town of Sneads. It is important that you remember that all decisions are made by the board as a whole, and no decision is made alone. You will be performing a valuable service by addressing community needs and issues, as you represent your constituents. It is much needed service that carries with it great responsibilities, with truly little pay.

We look forward to having you serve the Town of Sneads should you choose to do so!

2024 Form 1 Instructions

Statement of Financial Interests

Notice

The annual Statement of Financial Interests is due July 1. If the annual form is not submitted via the electronic filing system created and maintained by the Commission by September 1, an automatic fine of \$25 for each day late will be imposed, up to a maximum penalty of \$1,500. Failure to file also can result in removal from public office or employment. [s. 112.3145, F.S.]

In addition, failure to make any required disclosure constitutes grounds for and may be punished by one or more of the following: disqualification from being on the ballot, impeachment, removal or suspension from office or employment, demotion, reduction in salary, reprimand, or a civil penalty not exceeding \$20,000. [s. 112.317, F.S.]

Instructions for Completing and Filing Form 1 Statement of Financial Interests

WHEN TO FILE: *Initially*, each local officer/employee, state officer, and specified state employee must file **within 30 days** of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates must file at the same time they file their qualifying papers.

Thereafter, file by July 1 following each calendar year in which they hold their positions.

Finally, file a final disclosure form (Form 1F) within 60 days of leaving office or employment. Filing a CE Form 1F (Final Statement of Financial Interests) does not relieve the filer of filing a CE Form 1 if the filer was in his or her position on December 31, 2024.

WHO MUST FILE FORM 1:

1. Elected public officials not serving in a political subdivision of the state and any person appointed to fill a vacancy in such office, unless required to file full disclosure on Form 6.
2. Appointed members of each board, commission, authority, or council having statewide jurisdiction, excluding those required to file full disclosure on Form 6 as well as members of solely advisory bodies, but including judicial nominating commission members; Directors of Enterprise Florida, Scripps Florida Funding Corporation, and Career Source Florida; and members of the Council on the Social Status of Black Men and Boys; the Executive Director, Governors, and senior managers of Citizens Property Insurance Corporation; Governors and senior managers of Florida Workers' Compensation Joint Underwriting Association; board members of the Northeast Fla. Regional Transportation Commission; board members of Triumph Gulf Coast, Inc.; board members of Florida Is For Veterans, Inc.; and members of the Technology Advisory Council within the Agency for State Technology.
3. The Commissioner of Education, members of the State Board of Education, the Board of Governors, the local Boards of Trustees and Presidents of state universities, and the Florida Prepaid College Board.
4. Persons elected to office in any political subdivision (such as municipalities, counties, and special districts) and any person appointed to fill a vacancy in such office, unless required to file Form 6.
5. Appointed members of the following boards, councils, commissions, authorities, or other bodies of county, municipality, school district, independent special district, or other political subdivision: the governing body of the subdivision; community college or junior college district boards of trustees; boards having the power to enforce local code provisions; boards of adjustment; community redevelopment agencies; planning or zoning boards having the power to recommend, create, or modify land planning or zoning within a political subdivision, except for citizen advisory committees, technical coordinating committees, and similar groups who only have the power to make recommendations to planning or zoning boards, and except for representatives of a military installation acting on behalf of all military installations within that jurisdiction;

This section is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s). The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

If disclosure of a primary source of income will place you in violation of confidentiality or privilege pursuant to law or rules governing attorneys, you may write "Legal Client" in each of the disclosure fields without providing any further information.

Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list each individual company from which you derived more than \$2,500. Do not aggregate all of your investment income.
- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

Secondary Sources of Income

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

1. You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and,**
2. You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

If disclosure of a secondary source of income will place you in violation of confidentiality or privilege pursuant to law or rules governing attorneys, you should disclose the name of the business entity for which your ownership and gross income exceeded the two thresholds above, and then write "Legal Client" in the remaining disclosure fields without providing any further information.

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

Training Certification

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, a commissioner of a community redevelopment agency created under Part III, Chapter 163, or an elected local officer of an independent special district, including any person appointed to fill a vacancy on an elected independent special district board, whose service began on or before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

INSTRUCTIONS FOR CAMPAIGN TREASURER'S REPORT – ITEMIZED CONTRIBUTIONS

- (1) Candidate's full name or name of the political committee (PC), electioneering communications organizations (ECO) or party executive committee (PTY).
- (2) The identification number assigned by the filing officer.
- (3) Cover period dates (e.g., 1/1/15 through 1/31/15). (See filing officer's reporting dates calendar for appropriate year and cover periods.)
- (4) Page numbers (e.g., 1 of 3).
- (5) Date contribution was RECEIVED (Month/Day/Year).
- (6) **Sequence Number** – Each detail line shall have a sequence number assigned to it. Sequence numbers are to be assigned within each reporting period and for each type of detail line. Thus the report type, detail line type, and sequence number will combine to uniquely identify a specific contribution, expenditure, distribution or fund transfer. This method of unique identification is required for responding to requests from the filing officer and for reporting amendments.
For example, a M1 report having 75 contributions would use sequence numbers 1 through 75. The next report (M2), comprised of 40 contributions would use sequence numbers 1 through 40. Contributions on amended M1 reports would begin with sequence number 76 and on amended M2 reports would begin with sequence number 41. See the *Amendment Type* instructions below.
- (7) Type full name and address of contributor (including city, state and zip code).
- (8) Enter the type of contributor using one of the following codes:
Occupation of contributor for **contributions over \$100 only**. (If a business, please indicate nature of business.)

I	Individual	
B	Business	(also includes corporations, organizations, groups, etc.)
E	Electioneering Communications Organizations	
F	Political Committee	(federal or state)
P	Political Parties	(includes federal, state and county executive committees)
O	Other	(e.g., candidate surplus funds to party, etc.)
S	Candidate to Self	

- (9) Enter Contribution Type using one of the following codes:
NOTE: Cash includes cash and cashier's checks.

Code	Description
CAS	Cash or Cashier's Check

INT	Interest
LOA	Loan
MO	Money Order
MUC	Multiple Uniform Contributions
RCT	Other Receipts
REF	Refund (Negative Amount Only)

- (10) Type the description of any in-kind contribution received.

Candidate's Only – If in-kind contribution is from a party executive committee and is allocable toward the contribution limits, type an "A" in this box. If contribution is not allocable, type an "N".

- (11) **Amendment Type** (required on amended reports) – To add a new (previously unreported) contribution for the reporting period being amended, enter "ADD" in amendment type on a line with ALL of the required data.

The sequence number for contributions with amendment type "ADD" will start at one plus the number of contributions in the original report. For example, amending an original M1 report that had 75 contributions means the sequence number of the first contribution having amendment type "ADD" will be 76; the second "ADD" contribution would be 77, etc. When amending an original M2 report that had 40 contributions, the sixth "ADD" contribution would have sequence number 46.

To correct a previously submitted contribution use the following drop/add procedure. Enter "DEL" in amendment type on a line with the sequence number of the contribution to be corrected. In combination with the report number being amended, this sequence number will identify the contribution to be dropped from your active records. On the next line enter "ADD" in amendment type and ALL of the required data with the necessary corrections thus replacing the dropped data. Assign the sequence number as described above.

- (12) Type amount of contribution received. **Political Committees ONLY**: Multiple uniform contributions from the same person, aggregating NMT \$250 per calendar year, collected by an organization that is the affiliated sponsor of a PC, may be reported by the PC in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period.
